

Nebraska's pheasant hunting has long been known as the finest in the world.

The terrain varies and includes CRP, food plots, hardwoods as well as our unique Sandhills region.

Why wait to join the fun? We hunt September through March — traditional Midwestern style pheasant hunts the way Grandpa and Dad taught us.

Come join us on one of these exciting hunts and you will create memories that will last a lifetime.

Nebraska Hunting Company has everything you need to plan your next outdoor adventure in beautiful Nebraska.

We hunt over 50,000 acres for the Merriam's turkey, one of the birds required for the Grand Slam. We would never guarantee you a turkey but the people that have hunted with the Nebraska Hunting Company on the ranches where they harvested their birds might say that it is up to the hunter to hit the turkey.

The Nebraska Hunting Company has never had a client that did not harvest at least one Merriam's turkey.

Nebraska Hunting Company creates the opportunity to build lifetime memories for your friends, your family and you.

There's no need to look elsewhere!

"Some of the Best turkey hunting I have had in my life. I saw over 30 turkeys a day and we harvested our 4 tom turkeys in 20 hours. Turkey hunting unlike anywhere in the United States."

Scott, Thanks so much for the extraordinary hunting experience. Had someone told me I'd be stalking Merriam Turkeys 20 minutes after we arrived in Brewster, I would not have believed it. What a thrill, crawling within 25 yards on a herd of Mule Deer and flock of Merriam's and taking the Boss Gobbler.

Thanks for the excellent hunt.

Scott, Once again, thank you for the great hunting experience. Your enthusiasm, along with your calling expertise and knowledge of the area proved to be invaluable...truly a great time, higher than my expectations and I look forward to coming back.

Good Hunting,
